Midnight In Mexico A Reporters

--Jon Lee Anderson, author of Che Guevara: A Revolutionary Life and The Fall of Baghdad

"Midnight in Mexico is the story of a journalist's dangerous and notable efforts to report on Mexico's horrible drug wars. The book brings a special clarity, the clarity of the personal and particular, to a very important and confusing subject, and it is in itself an absorbing story, marked by careful attention to fact and also by the author's deep love for his homeland.
