Nami Mun's debut novel is a series of episodes in the life of Joon, a Korean American living in  
the Bronx during the 1980s. Many readers might well regard "Miles from Nowhere" as  
interrelated stories featuring the same character rather than a novel and, in fact, most of the  
chapters were previously published as standalone stories.

Miles from Nowhere, by Nami Mun, is the tale of a teen runaway living on the streets of New  
York in the 1980s. Joon is an almost-likable protagonist, but I found myself getting more and  
more frustrated every time she made the wrong choice.
