Step 1. Set the trick up. Tell a friend that you are performing a math trick. You will ask her to do some calculations secretly, then read her mind for their answer.Step 2. Write down your prediction. Pretend to think hard for a moment, then write down the number 3 on a piece of paper. Fold the paper in half, without letting anyone see the number.Step 3. Ask your friend to write down a number between 1 and 20. She should pick this secretly and keep the piece of paper. We'll go through an ...
