ME Beam Engine.  
The Model  
Engineer beam  
engine has been a  
popular model for  
more than a  
hundred years. It  
was first described

# Download Free Model Beam

by George Gentry  
in 1914. It was  
revisited by  
Exactus in 1959  
and that is the  
version usually built  
today. The engine  
is of the centre  
column type and  
resembles that of  
the type of engine  
made by William  
Fairburn around  
1840 - 1850.
