Chart-UK
Number of visitors per month in summer, 2013 The line graph gives information about the number of visitors to three London museums between June and September 2013. Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

ELFO Oven Preparation - Line Graph
You can search for a manual using the model description. The model description can be found on a white or silver data badge. For ovens, this badge is located on the bottom edge of the appliance or in the base of the pan storage drawer (high level models). For other appliances, the data badge tends to be on the back or side.
