Frank Harris is one of America's literary luminaries, and whether you consider him a Walter Mitty-esque fantasist or a man who wrote just as he lived, there is no doubt that he had a very extraordinary life indeed. In Volume II of his work My Life and Loves he recounts with unrestrained abandon his literary tour of Europe, surrounding himself with poets and scholars, Lords and Princes. And at every border how he falls head over heels in lust with a bevy of naive but eager nymphets.
