I'm a very happy user of this Nokia 6350-Graphite Cell phone. I love it! Hello, I had the same phone before that I got from at&t reconditioned. I got it wet and it didn't work anymore. I liked the phone so much I went online to find another one and found gogreen.com. They had the same one used at a good price. I lke the flip pkone because you don't have to worry about hitting any buttons and making any mistake calls.
