The Norse gods are divided into 2 major groups, the Aesir and Vanir, plus the giants, who came first. Some believe the Vanir gods represent an older pantheon of the indigenous people whom the invading Indo-Europeans encountered. In the end, the Aesir, the newcomers, overcame and assimilated the Vanir.

Norse mythology, which is like other mythologies like Greek or Egypt, told the stories about the Norse cosmos, Norse gods, and how everything came into being (and got destroyed as well). The main sources that we rely on to learn about Norse mythology included Prose Edda by Snorri Sturluson, and Poetic Edda. However, both sources were written after Viking Age so all of them stood a chance of being influenced by Christianity.

A Guide to Norse Gods and Goddesses. Before the beginning of time, there was Ginnungagap | a bottomless abyss, which separated the icy land of Niflheim and the fiery land of Muspelheim. These two realms rose in power and clashed; the burning frost turned into water drops and the water drops turned into life. The first living being was Ymir, a hermaphroditic giant who was created from those life-giving drops of water and whose death was brought about by Odin and his brothers.
