The phrase “not in my backyard” has two distinct usages and categories of users. In some circumstances, it connotes the unwillingness of individuals to accept the construction of large-scale projects by corporations or governmental entities nearby, which might affect their quality of life and the value of their property. Project proponents (which usually consist of the sponsoring corporation, construction labor unions and contractors, etc.) tend to use the phrase in this manner.

NIMN" additionally refers to legislative actions or private agreements made with the sole purpose of maintaining racial identity within a particular neighborhood or residential area by forcefully keeping members of other races from moving into the area. In that regard, "Not in My Neighborhood," by author and journalist Antero Pietila, describes the toll NIMN politics had on housing conditions in Baltimore throughout the 20th century and the systemic, racially based citywide separation it caused.
