## Rules

Chances are you already know the NRA's Three Rules of Gun Safety (1. ALWAYS keep the gun pointed in a safe direction; ALWAYS keep your finger off the trigger until ready to shoot; ALWAYS keep the gun unloaded until ready to use.), and those rules will always apply...everywhere, every time, every gun, every person. But when you're heading into the field with a firearm, there are some additional ...

NRA » rules - NRA

There are many different types of firearms, some of which require additional safety rules or procedures for proper operation. These should be in your owner's manual. Also, most sport-shooting activities have developed a set of rules to ensure safety during competition. The rules may be different from sport to sport, so always listen carefully to your instructor or range safety officer.
