Operations Excellence Program (OEP) - McKinsey & Company
Along with other members of the OEP community, you will follow a curriculum based on operations-excellence themes and advanced training in one of three areas: Manufacturing & Supply Chain Product Development & Procurement

The Program | Operations | McKinsey & Company
one in every three McKinsey projects now involves operations topics. Today, the practice operates in some 100 locations in 58 countries with more than 750 consultants, 400 of them in Europe, the Middle East and Africa. The Operations Excellence Program (OEP) We established our first early tenure program in the mid-1990s.

McKinsey Operations Practice Operations Excellence Program
Our Operations Excellence Program (OEP) - a two-year training program - will help you develop into a specialist in operations excellence. The OEP combines a rigorous theoretical foundation, taught by some of the most experienced practitioners in the world, with intense hands-on work on real client transformation projects.

Operations Excellence Program - McKinsey & Company
As part of our two-year Operations Excellence Program (OEP), you will work on client engagements like any other McKinsey consultant. You will gain leading-edge operations and consulting skills, primarily through on-the-job coaching as you work alongside other consultants, complemented by the OEP's structured capability building program.

Operations Excellence Program - McKinsey & Company
The Operations Academy was a critical element in sustaining the improvements achieved during the company's capability building program and deserves special attention. By creating the Academy, the company built a central repository for its best thinking on operations excellence.

Unleashing long-term value through operations excellence
Operational Excellence. Marvin joined McKinsey as an implementation coach, and followed his passion into Operations. Apply for the Operations Excellence Academy to learn more about his path. October 4, 2016 I joined McKinsey in November 2013 with the aspiration to stay for a year or two. Soon, I realized how much fun it is to work with extraordinary people on exciting topics.
