Options Trading For Beginners | Step-by-Step - YouTube

An option you purchase is a contract that gives you certain rights. Depending on the option, you get the right to buy or the right to sell a stock, exchange-traded fund (ETF), or other type of investment for a specific price during a specific period of time. Investors and traders use options for a few different reasons.

Options trading for beginners | Learn more

A put buyer expects the stock to go down, making the option more valuable. A put buyer profits when the option's premium costs less than the difference between the stock price and the strike price at expiration. A put seller (or writer) expects the stock to rise or stay flat, making the put less valuable.
