Organize your thoughts by writing them down. Your brain has no filing cabinet, no containers – you need to write down your thoughts if you're going to do anything with them. If we want to manage our thoughts, that starts by writing those thoughts down.

How to organize thoughts | Simply Convivial

Capture your thoughts and ideas. What's the first step in organizing your thoughts? Why, collecting them, of course! It doesn't matter whether you're organizing thoughts, or physical materials, you need to be able to hold, or collect the items you want to organize. That being said, choose your preferred method of capturing thoughts.

How to Organize Your Thoughts | The Order Expert

3. Transfer Thoughts to Paper. One of the best ways to help you declutter your mind is to take all those thoughts and tasks floating around in your brain and write them down. Getting them on paper takes them out of your head because it allows you to let go of the responsibility you have to remember them, thus decluttering your mind in the process.

15 Ways to Declutter Your Mind - Chopra

By contrast, many people don't bother to organize their thoughts before they speak. This can make speaking concisely elusive, if not impossible. You obviously can't take 30 seconds to completely organize your thoughts and say exactly what you mean every time you speak, but you can make an effort to not just blurt out whatever is on your mind.

How to Communicate Concisely | Work - Chron.com

Life can be challenging at times... both physically and mentally. Admit it, there are times when you feel like a hamster on a wheel. Like no matter how fast you run, you'll never catch up. That you'll never reach your goals. Whether it's weight loss you seek, financial stability, success at work or in school, or just finding a moment to breathe... learning how to organize your life can ...
