Other Electricities is like no other book  
I've ever read. It's not quite a novel, but  
it's also not quite a short story collection.  
It's somewhere in between — a group of  
essays and short stories that all interplay  
with each other; all create another piece of  
a grand novel. It's a series that is bound by

Unlimited [Mystery Book] Other Electricities - by Ander Monson  
Uncompromising, hypnotic and darkly humorous, Other Electricities charts a new and strange direction in American fiction. □ Like Franklin's discovery of the electricity we do know, Monson's luminous, galvanized book represents a paradigm shift. The frequencies of the novel have been scrambled and redefined by this elegant experiment.
