Padi | Scuba

The PADI manual I received is dated 1988. It did not come with the dive planner as the picture displays. Condition of the manual is not as

Download Ebook Padi

described "Like
New - Near
perfect". The
actual condition
is more
accurately used
- good, at best.
Due mostly its
age of 15 years
it is nothing
like new,
certainly not
the information
in it.
