1) Make sure your answering system is plugged into a live telephone jack and power source. 2) Make sure your answering system is turned on. 3) Some answering systems have an announce only option, which plays your greeting but won't record messages. Make sure your system is set to record messages.

Why is my Answering System not recording messages? | VTech ...

A: Answer Yes, re read the section of the manual in dealing with the answering machine on the base unit. You have to choose not only on the base unit but on the phone via the menu button and up and down arrow key on the base phone, to use the answering machine or your voice mail. Then you have to set up the phones accordingly.
