"In Paper Love, Sarah Wildman isn't only on a quest to discover the fate in Nazi Germany of a young and brilliant woman whose moving letters she finds among her beloved grandfather's papers after his death—though that quest is fascinating and suspenseful. She also draws narrative drama from wrestling with the genre itself: as she knows, and as the many guides whom she gets help from remind her, the pursuit of family Holocaust 'stories that have no ending' has become something of an ...

Revealing deeper truths about history and the tricky nature of memory, Paper Love is a breathtakingly powerful and beautiful new book." - David Grann, author of The Lost City of Z "Paper Love begins with a quest for a lost lover, and then radically inverts that path. Here the search becomes a tale of not one person, but of how each person is so much more than one, how no single life has meaning without all the others that encircle it.
