Philosophy, politics and economics, or politics, philosophy and economics, is an interdisciplinary undergraduate or postgraduate degree which combines study from three disciplines. The first institution to offer degrees in PPE was the University of Oxford in the 1920s. This particular course has produced a significant number of notable graduates such as Aung San Suu Kyi, Burmese politician and State Counsellor of Myanmar, Nobel Peace Prize winner; Princess Haya bint Hussein daughter of the late

~~Philosophy, politics and economics - Wikipedia~~

PPE was born of the conviction that study of the great modern works of economic, social, political and philosophical thought would have a transformative effect on students' intellectual lives, and thereby on society at large. This conviction remains as firm today as it was then. As the world has evolved, so has PPE.
