Parents need to know that Picture This! is a 2008 movie in which an unpopular teen must outwit her overly-protective father in order to make it to a party thrown by a popular boy who is starting to like her. The teens are inseparable from their video phones and sometimes border on voyeurism with their exploitation of peers' embarrassing moments.

This picture of water lilies was part of a series Monet painted of his water garden at his house at Giverny. They are the most celebrated paintings of Monet's career. Today we call these pictures abstract-impressionist paintings, because the surface of the pond fills the entire canvas with light and colour and the picture looks almost abstract.
