The best poems for kids can make them laugh, cry, consider the world in a different way and even inspire them to try penning a few lines of their own. Here, Gaby Morgan, Publisher of the Macmillan Children's Poetry list, explains why she believes poetry for children is so important, and we share our edit of the best poems for kids.

~~The best poems for kids - Pan Macmillan~~

Poetry For Kids. Poetry for children captures the essence of childhood: the fun, the laughter, the hope, and the inquisitive nature of exploring their world. Exposing kids to poetry early is a great way to build reading skills and a love for poetry. Children will learn new words, practice reading aloud with expression, and be exposed to rhymes.
