Points of Impact is a decent addition to the Frontlines series. This series is great Military Scifi and I am a huge fan. Points of Impact picks up three years after the mars war and explores the effects of a long running war on soldiers and humanity. This thread is abandoned midway through the book and this decision is quite disappointing.

Frontlines is an action-packed military sci-fi series that ...

Perhaps Points of Impact is not as battle action packed as previous books in the series, but it is nevertheless far superior to most other military S.F.books around, maturing the character of Andrew.as he meets the occasional old friend and enemy, and still survives after ten years of service when so many of his entry time have died.
