Module 2: Understanding EU Policy Making. EU policy-making can be a complicated process. The aim of this module is to break down the different elements of the policy cycle so that the process becomes clear and straightforward. This model begins by looking at the move from the former 'pillar structure' of the EU to the new structure after the Lisbon Treaty.

## Understanding EU Policy Making - European Studies Hub

'In a crowded market of text books, the fourth edition of Policy-Making in the European Union extends the lead this book enjoys over its many competitors. Comprehensive in coverage, this book offers a depth of analysis that makes students understand the complexities of Europe's emerging polity without burdening them with unnecessary detail.

analyzing the EU's policy process and on energy policy.

## Policy-making in the European Union - Google Books

Policy-making is generally defined as the formulation of ideas or plans that are used by an organisation or government as the basis for making decisions. In the case of the European Union, this is a particularly complex process which is closely linked to the limits of the Union's competences as set out in the treaties that underpin EU law.
