Essay In The Third World

Getting policy implementation right is critically important. Failure can cause financial waste, political frustration and disruption for ordinary citizens, as demonstrated in a series of policy failures under governments of all parties. But while the literature on failure is considerable, there is a gap around practical accounts of how to make implementation effective in the distinctive context of government.

Public policy implementation may be referred to as the second or effective phase of a public policy and has no less importance than policy making.

*An Analysis of Public Policy
Implementation*

In trying to understand the relationship between politics and policy outcomes, policy theorists have been debating whether policy implementation constitutes a "top-down" or "bottom-up" phenomenon. The "top-down" perspective focuses on upper-level officials to understand what motivates them in order to determine whether and why policy goals were attained during implementation.
