Become an Instagram Influencer Tip #2:  
Stay Consistent. A few years ago, it was  
possible to post sporadically and grow  
consistently. But in 2020, it's a different  
story. If you want to see growth on  
Instagram and stay top of mind with your  
followers, it is vital to be consistent. As far  
as feed posts go, pick a schedule.

I also recommend that, if you find an influencer you like, you should manually browse their social media profiles. This can give you a higher idea of engagement and how many followers are actually active. If someone has 100,000 followers but only gets 5,000 likes per post, it might not be worth the high price tag.
