This is a great analysis of how we got here - struggles on ideas of how we get out of it - but then don't we all... It is a thought provoking wander through the "post truth" world: how we came to be in it, what it is now like, and some (perhaps slightly too hopeful) suggestions as to how we might get out of it.

If we live in a post-truth era, we need to become our own "fact checkers," and make it our mission to be led by more than just feelings, but rather by a pursuit of the truth. Somehow having a wealth of information at our fingertips has made it more difficult than ever to be "certain" about anything.
