So last week I reviewed Caan Berrys pre race trading guide and gave it a recommendation.. Last week the football schedule was pretty lacklustre and I decided to delve into the horse markets. I don't like horse racing to be honest I find it very boring however as a trader I can see that it is probably the market with the most opportunities for trading.

How to trade the horses pre race as a beginner - Smart ...

A lot of horse traders like to do their research in the morning before the racing. This means that they will often start work early and finish early or work between 9am-5pm like a regular job. In the summer there is evening racing so if you want to trade outside of your usual job this can be a great time to learn.

Horse Racing Betfair Trading Strategy: Pre-Race & In-Running

My main pre-race trading is done in the last ten minutes before the off. Of that ten minutes, the first 2-5 minutes is usually spent analysing and/or waiting for significant volume to get going. For true trend trading, the more money involved, the more reliable the signals become. This applies to any market.
