Primal Awareness: Reconnecting with the Spirits of Nature ...

Focusing on the origins of Western culture and belief systems, from ancient agriculture to modern industry, from primitive religion to monotheism, Primal Awareness explains how we became separated from nature and how, throughout history, these belief systems and social models have imposed a life of servitude and hardship upon millions of people. It also illustrates how modern technology and the modern scientific world view are currently causing the destruction of our natural environment.

Primal Awareness: Reconnecting with the Spirits of Nature ...

The “ primal awareness ” of the title is humankind ’ s awareness of the immanence of spirit, consciousness and generative life force alive in every aspect of creation on Earth. Wildwood gives us an overview of how humanity in First World cultures has lost its sense of connection to the natural world and as a result, is now destroying it.

Primal Awareness from Moon Books

June 5, 2018. October 30, 2019. Indie Shaman Earth Energies, nature, Rob Wildwood, Spirit and Nature. Primal Awareness is a short history of humanity ’ s separation from Nature and the world of spirits. Each chapter details the ‘ evolution ’ of our race. This tragic history is portrayed as a decline, rather than a progression, for humankind.
