Answer Key (Download Only) for Principles of Animal Physiology, 3rd Edition Christopher D. Moyes, Queens University Patricia M. Schulte, University of British Columbia

Answer Key (Download Only) for Principles of Animal Physiology

I used this textbook for an intro level animal physiology class. Overall the book is very well written and approachable. Concepts are laid out simply and in an easy to follow format. If you are looking for a detailed look at underlying mechanisms than this book is not for you --but this isn't the focus of physiology as a discipline.
