By following an approach to macroeconomics that is  
consistent with current macroeconomic research, you  
become better prepared for advanced study in  
economics. The 6th Edition captures the latest  
developments in macroeconomic thinking, applied to  
recent economic events and developments in  
macroeconomic policy. With the financial crisis  
receding, new challenges that macroeconomists and  
policymakers currently need to address are covered  
in the text.
