~~Free Downloads – Gleim Aviation~~

Specifically geared for international students, we offer an intense training program for student pilots seeking to obtain their private pilot certificate. The syllabus of the program is in no way different from the standard private pilot part 141 curriculum but does require a more rigorous schedule. A traditional working day consists of two flights (morning and afternoon) and 3-4 hours of ground training, keeping the student engaged and in tune with all the skills and theory acquired.
