Product Launch Plan Template  
Use Template. The product launch plan roadmap is typically managed by the product marketing team to coordinate efforts across different teams. In addition to generating revenue, a launch can build anticipation and market awareness for the product. Your product launch plan should be a blueprint that represents the high-level plans and goals for an initiative, and not be a detailed to-do list.

---

Product Launch Plan Template

Because it will tie to the product's planned release date, your product launch plan should be built on a timeline working backward from that date. This timeframe is usually six months. As you can see from our product launch roadmap template above, the first months of a six-month launch roadmap represent the early stages of planning and research. The marketing team begins working on product branding and messaging, for example.
