Productivity Planner: Get More Done and Beat ...

Here's What Happened when I Used Productivity Planner for a Week - By Robert Dodds Being productive is a common goal, and one that I share. When I'm productive, I'm happy. When I haven't gotten much of my work done, I get frustrated and enjoy my job less. Usually, the reasons I don't get my priority tasks done is because I was prioritising my schedule - elevating the meetings, emails and phone ...
