We, the members of the IEEE, in recognition of the importance of our technologies in affecting the quality of life throughout the world, and in accepting a personal obligation to our profession, its members and the communities we serve, do hereby commit ourselves to the highest ethical and professional conduct and agree:

IEEE - IEEE Code of Ethics

A professional engineer certainly has met or exceeded the minimum standard for becoming licensed.

Even for engineers who practice engineering under the industrial exemption clause, there are good reasons to become licensed.

These reasons apply to all engineers, including electrical,
