Programming LEGO
NXT Robots using
NXC

NXC is a programming language, invented by John Hansen, which was especially

Bookmark File PDF

designed for the
Lego robots. If you
have never written a
program before,
don't worry. NXC is
really easy to use and
this tutorial will lead
you on your first
steps towards it. To
make writing
programs even
easier, there is the
Bricx Command
Center (BricxCC).
