Misbehaviour in lessons is something that has been documented by teachers for centuries. And while most pupils in most lessons are well-behaved, it's a major cause of stress for teachers and can have a lasting impact on the outcomes of the pupils in the class. There's a clear need for school to have consistent and clear behaviour policies that promote positive behaviour in lessons.

Behaviour: Overall, the evidence makes it clear that reducing challenging behaviour in schools can have a direct and lasting effect on pupils' learning. However, school leaders should be aware that some interventions can be effective in reducing problematic behaviour without improving attainment. Three broad categories of behaviour interventions can be identified: Universal programmes which seek to improve engagement and behaviour, and generally take place in the classroom;
