While the script of Pyretown does acknowledge that one of the play's two characters lives around burned-out buildings, and audiences could infer that both characters have burned out their lives, the title remains fairly cryptic during the performance. However, the play that unfolds quickly becomes a vivid engagement between two troubled yet vivacious characters that may be meant for one ...

After that, he wrote Pyretown, which criticises America's managed care health system through a romance between a divorced mother and a young, wheelchair-using man. Belluso joined the crew of the HBO western drama Deadwood as a writer for the first season in 2004, writing "The Trial of Jack McCall".

John Belluso - Wikipedia

John Belluso's Pyretown has few subtleties. An emotional blast on the red tape, unfairness, and inadequacies of the managed health care system in the United States, the two-act play begins as a burgeoning love story. Louise is a frazzled mother with single-parent responsibilities who is battling to adequately care for her children.

This article explores the significance of disability identity at work in John Belluso's 2004 play Pyretown on two primary levels: the level of the play and the level of production. At the level of the play, the dramaturgical use of the lived experience of disability is examined through a postpositivist realist lens.
