Railsea by China Miéville – review |
Books | The Guardian

Railsea is a young adult adventure story with a steampunk vibe, a Moby Dick retelling set in a dystopian future. The sea has been replaced with railway lines, ships with trains, and whales with giant moles that burrow through the ground. China Mieville has reigned in his darker, grittier side, but not by as much as you might have imagined. I feel he strikes just the right balance for a young ...
