players can play. It is a system of 2 man Read and Reactions, that can be drilled to the point of habit. These 2 man habits are not just a random collection of good 2 man games. The Read and React system ties these 2 man reads into a seamless 5 man offense that can be adjusted to any set, formation, type of player, or style of play.

Layer 4 in the Read & React is about how the offense continues if Dribble Penetration fails or Penetrate, Draw the Defense, and Pass does not produce a shot. I don't think most understand WHY we Circle Move on Dribble Penetration in the Read & React. Here's why: Elementary Reason: Receivers

moving vs standing are harder to guard.
