The cardinal rule when reading papers is: Never start reading an article from the beginning to the end. It's better to begin by identifying the conclusions of the study by reading the title and abstract... After reading the abstract and conclusions, if the reader deems it interesting or useful, then the entire article can be read.

The reading test will be a single one hour paper (including reading time) with questions based on a selection of texts of 1800-2300 words with 50 marks (1-3 mark questions). Question types include multiple choice; ranking/order; matching; labelling; find and copy; short response, and open-ended response. Marks will be allocated as follows:

KS2 Year 6 SATs Papers

When your teachers or professors ask you to analyze a literary text, they often look for something frequently called close reading. Close reading is deep analysis of how a literary text works: it is both a reading process and something you include in a literary analysis paper, though in a refined form. Fiction writers and poets build texts out of many central components, including subject, form, and specific word choices.
