Reading Reflex: The Foolproof Phono-Graphix Method for ...

Reading Reflex: The Foolproof Phono-Graphix Method for Teaching Your Child to Read. Reading is the single most important skill for any child to develop. And the key to learning how to read effectively is recognizing the sounds that letters and words represent. With the help of the revolutionary system known as Phono-Graphix™, you and your child can discover the sound-picture code that is the foundation of the written English language.
