reading the room. Group Dynamics for Coaches and Leaders. The Reading the Room aims to enrich psychologists, consultants, coaches, therapists, business leaders, and other professionals' understanding of communication within their teams through the use of Kantor Structural Dynamics theory. Reading the Room will offer a background in Kantor Structural Dynamics with in-depth coverage of communication differences in low stakes versus high stakes situations.

~~Kantor Institute~~

Kathryn is the Co-Principle Investigator with David Kantor, Ph.D. on the Reading the Room project. The study is testing David Kantor's groundbreaking model of interpersonal communication and group dynamics (Structural Dynamics) in executive leadership teams. The pilot will be completed by summer of 2015 and results published at that time. Preliminary results reveal the efficacy of the model that is well grounded in 50 years of prior research within family systems.
