Reengineering the Corporation: A Manifesto for Business ...

Description. No business concept was more important to America's economic revival in the 1990s than reengineering -- introduced to the world in Michael Hammer and James Champy's Reengineering the Corporation. Already a classic, this international bestseller describes how the radical redesign of a company's processes, organization, and culture can achieve a quantum leap in performance.

pioneering book on the most important topic in business circles today: reengineering--the radical redesign of a company's processes, organization, and culture to achieve a quantum leap in performance.

Reengineering the Corporation : A Manifesto for Business ...

Reengineering the corporation, the authors argue, means ceasing to think in terms of jobs and objectives and other such traditional management concepts and starting to think in terms of "process." The entire "work process" must be reconceived and restructured, with everything up for grabs and nothing taken as a given.
