They chose not to simply automate certain tasks, but rather to re-think the process entirely. Through reengineering, they reduced the accounts payable workflow from matching 14 items to matching three items before a check was issued. Similarly, Mutual Benefit Life reduced the turnaround on an insurance application from 5-25 days to 2-5 days.

[Part One] Reengineering for the 21st Century Business

I observed that many entrepreneurs look to use technology to automate a workflow as a basis to build a technology company, but we have learned that creating an entirely new workflow seems to produce bigger outcomes. Albert brought up a famous Harvard Business Review article from 1990 by Michael Hammer titled Don ' t Automate, Obliterate. In this article Hammer argues that reengineering industries using technology is much preferable to automating them.
