Cohen's Religion of Reason, Out of the Sources of Judaism (first published in 1919) is widely taken to be the

greatest work in Jewish philosophy and religious thought since

Maimonides' Guide to the Perplexed. It

is at once a Jewish book and a

philosophical one: Jewish because it

takes its material from the literary

tradition that extends from the bible to

the rabbi.

Central to their theologies of history is the "positive" nature of the Christian religion over against the Enlightenment's "natural" religion of reason. This positivity is articulated in three basic metaphors: the kingdom of God, organic life, and education, which together provide a narrative structure for understanding the life of the individual Christian and of the Christian community in its relation to the Old Testament and to world history.
