(PDF) Remapping habitus in translation studies
Remapping Habitus in Translation Studies. The publication deliberately concentrates on the reception and application of one concept highly influential in the sociology of translation and interpreting, namely habitus.

Remapping Habitus in Translation Studies | Brill
The publication deliberately concentrates on the reception and application of one concept highly influential in the sociology of translation and interpreting, namely habitus. By critically engaging with this Bourdieusian concept, it aspires to re-estimate not only interdisciplinary interfaces but also those with different approaches in the discipline itself.

Remapping Habitus in Translation Studies | Gisella M ...
Remapping Habitus: Norms, Habitus and the Theorisation of Agency in Translation Practice and Translation Scholarship. The recent shift from " translation studies " to " translator studies " marks the increasing interest in the field in understanding the modes of translator ' s agency and the different theoretical and practical issues these modes raise. The Bourdieusian concept of habitus and the explanatory power it wields have been instrumental in developing new conceptualisations of ...

TS Portal for Arab World, Iran & Turkey :: Publications
The publication deliberately concentrates on the reception and application of one concept highly influential in the sociology of translation and interpreting, namely habitus. By critically engaging with this Bourdieusian concept, it aspires to re-estimate not only interdisciplinary interfaces but also those with different approaches in the discipline itself.

Remapping Habitus in translation studies :: BookNavigator
I interpret 'remapping habitus in translation studies' as a return to the foundations of sociological theory. For this, I believe it is useful to try to penetrate Bourdieu ' s theory of culture more deeply, rather than to inject ideas external to his system without first having tried to comprehend his ideas.

Remapping Habitus in translation studies (eBook, 2014 ...
Remapping Habitus: Norms, Habitus and the Theorisation of Agency in Translation Practice and Translation Scholarship. This translation studies article aims to locate the notion of habitus within the context of the sociological theory of P. Bourdieu by defining it in relation to the other heuristic notions of field and illusio. Two illustrations in literary translation are provided in an attempt to show the relevance of the notion of habitus within translation studies: those of the two major twentieth-century French translators, Maurice-Edgar Coindreau and Marcel Duhamel.

Remapping Habitus in Translation Studies by Gisella M ...
Bourdieu's sociology, particularly his concept of the habitus, is firmly anchored within the sociology of translation, resulting chiefly from the works of individual researchers (in alphabetical order Gouanvic, Inghillieri, Sela-Sheffy, Simeoni, Wolf). This research has provided an impetus for an increasing number of mostly doctoral and post-doctoral research projects, which adopt the habitus concept as an "analytical tool".
