~~—GrandMaster Deluxe 40 Remote on the App Store~~

The included remote control adds an alignment trim button for quickly leveling the helicopter if it errantly gets away from you while in flight. The 150mAh battery means 12 minutes of flight time on a 30-minute charge, giving it a few extra minutes in the air over the similarly-priced competition. Add in a lightweight design that 's less likely to damage or break in a crash and this indoor ...
