The ReSPECT process creates personalised recommendations for a person's clinical care and treatment in a future emergency in which they are unable to make or express choices. These recommendations are created through conversations between a person, their families, and their health and care professionals to understand what matters to them and what is realistic in terms of their care and treatment.

~~ReSPECT | Resuscitation
Council UK~~

Respect is awarded once the item is completed and not during the smithing process.

Where To Download Respect Guide

If smithing an item would increase the player's respect over 100%, any extra respect is lost; for example, if a player has 99% respect, and smiths an item that gives 30,000 experience, they will have 100% respect after completing the item, not 102%.

~~Respect Guide – Horsham District Youth Football League~~

In addition to the list above, here are some ways we can respect people who are different from us.

- Try to learn something from the other person.
- Never stereotype people.
- Show interest and appreciation for other people's cultures and backgrounds.
- Don't go along with prejudices and racist attitudes.
