Rhetoric often influences our perception of the way we view reality. Our views on what we see as a problem and how we choose to go about acting about it are often influenced by the use of rhetoric. Recently, when reading the University of Delaware's thereview , I noticed an issue of rhetoric in the way it talked about our school in terms of

RHETORIC VS. REALITY - Earthjustice

Reality is raw and unedited, a reflection of the mess that we call existence. Rhetoric is select aspects of it, which are elevated in tone and quality if not totally because they are given linguistic makeovers – usually just because someone has a fleeting idea that any topic deserves more of our focus/attention.
