It begins by showing that casting the issue in terms of rights (to life versus to decide what happens in one's body) obscures the underlying question, which (as she belatedly concedes) is about what is morally required. But abortion, at least in most cases, cannot reasonably be assimilated to the range of Good Samaritan problems.

In an abortion, the cervix is wrenched open in a matter of minutes. The delicate muscle fibers can be damaged — damage that may go unnoticed until she is far into a later, wanted pregnancy and the muscles give way in a miscarriage. While the cervix can be opened, the uterus was never intended to be vacuumed.
