Robin Williams Web Design Workshop

Robin Williams Web Design Workshop As soon as I got my hands on Robin Williams' new "Web Design Workshop" book, I knew it was high time to invite Robin back for another visit in the pages of the Design Center's WebDesign & Review department. I was very lucky to catch her between books, speaking engagements and her busy schedule, and we carved ...

Robin Williams Talking About Web Design

In Robin Williams Handmade Design Workshop: Create Handmade Elements for Digital Designs, best-selling author Robin Williams and Carmen Sheldon take designers away from their computers and show them, step-by-step, how to use traditional artist's tools to create handmade elements for their digital artwork. Each how-to is illustrated with tons of photos to show how to use paints, inks, textures, modeling pastes, and more to create handmade materials that can then be scanned in and used to ...
